UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

DAVID W. ARISMAN,

Plaintiff,

No. C 03-4800 PJH (PR)

vs.

J. S. WOODFORD, Warden; R. ATOS,
Supervising Cook; C. PEREA, Food
Administrator I; and N. GRANNIS, Chief,
Inmate Appeals Division, CDCR,

**ORDER OF DISMISSAL WITH
LEAVE TO AMEND; DENIAL
OF MOTION FOR COUNSEL**

Defendants.

_____ /

This is a civil rights case filed pro se by a state prisoner. Due to an unfortunate oversight by staff the case has not received the review required by 28 U.S.C. § 1915A(a), which is performed below.

Plaintiff has been granted leave to proceed in forma pauperis. Venue is proper in this district because a substantial part of the events giving rise to the action occurred in this district. See 28 U.S.C. § 1331(b).

DISCUSSION

A. Standard of Review

Federal courts must engage in a preliminary screening of cases in which prisoners seek redress from a governmental entity or officer or employee of a governmental entity. 28 U.S.C. § 1915A(a). In its review the court must identify any cognizable claims, and dismiss any claims which are frivolous, malicious, fail to state a claim upon which relief may be granted, or seek monetary relief from a defendant who is immune from such relief. *Id.* at 1915A(b)(1),(2). Pro se pleadings must be liberally construed. *Balistreri v. Pacifica Police*

1 *Dep't*, 901 F.2d 696, 699 (9th Cir. 1990).

2 To state a claim under 42 U.S.C. § 1983, a plaintiff must allege two essential
3 elements: (1) that a right secured by the Constitution or laws of the United States was
4 violated, and (2) that the alleged deprivation was committed by a person acting under the
5 color of state law. *West v. Atkins*, 487 U.S. 42, 48 (1988).

6 **B. Legal Claims**

7 Plaintiff is on death row at San Quentin. He contends that the diet served him is
8 high in carbohydrates and fats and lacks sufficient fruit, vegetables, whole grains, and
9 "healthy fats." He asserts that the diet is based on out-dated federal diet recommendations
10 which have been refuted by new research, and that as a result the food is insufficient to
11 maintain his health.

12 As an abstract matter, this is sufficient to state a claim, see *LeMaire v. Maass*, 12
13 F.3d 1444, 1456 (9th Cir. 1993) (Eighth Amendment requires only that prisoners receive
14 food that is adequate to maintain health), but plaintiff has failed to allege facts as to the
15 named defendants sufficient "to state a claim for relief that is plausible on its face." *Bell*
16 *Atlantic Corp. v. Twombly*, 127 S. Ct. 1955, 1986-87 (2007). To state a claim against them
17 he must allege, plausibly, what role they played in determining the prison diet. The
18 complaint will be dismissed with leave to amend for plaintiff to remedy this deficiency.

19 In amending, he should bear in mind that a prison official cannot be held liable under
20 the Eighth Amendment for denying an inmate humane conditions of confinement unless the
21 official is shown to have been deliberately indifferent to the allegedly unconstitutional
22 condition. See *Farmer v. Brennan*, 511 U.S. 825, 837 (1994). To show deliberate
23 indifference the standard for criminal recklessness must be met, i.e., it must be shown that
24 the official knew of and disregarded an excessive risk to inmate health or safety. *Id.* A
25 prison official is deliberately indifferent if he or she knows that a prisoner faces a substantial
26 risk of serious harm and disregards that risk by failing to take reasonable steps to abate it.
27 *Id.* The prison official must not only "be aware of facts from which the inference could be
28 drawn that a substantial risk of serious harm exists," but the official "must also draw the

1 inference." *Id.* If a prison official should have been aware of the risk, but was not, then the
2 official has not violated the Eighth Amendment, no matter how severe the risk. *Gibson v.*
3 *County of Washoe*, 290 F.3d 1175, 1188 (9th Cir. 2002).

4 **C. Motion for Counsel**

5 Plaintiff has moved for appointment of counsel.

6 There is no constitutional right to counsel in a civil case, *Lassiter v. Dep't of Social*
7 *Services*, 452 U.S. 18, 25 (1981), and although district courts may "request" that counsel
8 represent a litigant who is proceeding in forma pauperis, as plaintiff is here, see 28 U.S.C.
9 § 1915(e)(1), that does not give the courts the power to make "coercive appointments of
10 counsel." *Mallard v. United States Dist. Court*, 490 U.S. 296, 310 (1989).

11 The Ninth Circuit has held that a district court may ask counsel to represent an
12 indigent litigant only in "exceptional circumstances," the determination of which requires an
13 evaluation of both (1) the likelihood of success on the merits and (2) the ability of the
14 plaintiff to articulate his claims pro se in light of the complexity of the legal issues involved.
15 *Terrell v. Brewer*, 935 F.2d 1015, 1017 (9th Cir. 1991).

16 Plaintiff appears able to present his claims adequately, and the issues are not
17 complex. The motion for appointment of counsel will be denied.

18 **CONCLUSION**

19 1. Plaintiff's motion for appointment of counsel (document number 9 on the docket)
20 is **DENIED**.

21 2. For the foregoing reasons, the case is **DISMISSED** with leave to amend, as
22 indicated above, within thirty days from the date of this order. The amended complaint
23 must include the caption and civil case number used in this order and the words
24 **AMENDED COMPLAINT** on the first page. Because an amended complaint completely
25 replaces the original complaint, plaintiff must include in it all the claims he wishes to
26 present. See *Ferdik v. Bonzelet*, 963 F.2d 1258, 1262 (9th Cir. 1992). He may not
27 incorporate material from the original complaint by reference. Failure to amend within the
28 designated time will result in the dismissal of these claims.

1 3. It is the plaintiff's responsibility to prosecute this case. Plaintiff must keep the
2 court informed of any change of address by filing a separate paper with the clerk headed
3 "Notice of Change of Address," and must comply with the court's orders in a timely fashion.
4 Failure to do so may result in the dismissal of this action for failure to prosecute pursuant to
5 Federal Rule of Civil Procedure 41(b).

6 **IT IS SO ORDERED.**

7 Dated: August 14, 2007.

8 PHYLLIS J. HAMILTON
United States District Judge
